EFFORTLESS, USER-FRIENDLY PROCESS

CREWNY members are achieving extraordinary success in commercial real estate and demonstrating exceptional leadership and talent. They support CREWNY's mission of advancing the success of women in CRE, through their collaboration and accomplishments.

Share these achievements and the impact you and your CREWNY colleagues are making! Nominate one or more CREWNY members, including yourself, for a 2020 CREWNY Impact Award using our very simple Nomination Form and process.

This year, CREWNY Impact Awards will again recognize and promote our extraordinary member achievements in the four areas described below:

» **Career Advancement for Women Impact**

Consistently exemplifies commitment to advancing the careers of women in CRE by significantly impacting one or more women

» **Economic and Community Improvement Impact**

Playing a pivotal role in a commercial real estate project that has positively impacted a community in significant and measurable ways

» **Entrepreneurial Spirit Impact**

Taking risks by stepping "outside of the box" to achieve a unique career success or milestone

» **Member-to-Member Business Impact**

Creating measurable business or other opportunities for other CREWNY members

Recognize the achievements, and celebrate the success, of you and your CREWNY colleagues with an Impact Award Nomination!

For questions about completing a Nomination Form, contact CREW Network and Member Recognition Chair, Rachel Merva, at rachel.merva@azoa.com; or Vice Chair, Katherine Sayer, at ksayer@ft.newyorklife.com

Each 2020 CREWNY Impact Award Application and criteria mirrors the corresponding 2020 CREW Network Award. So, if you complete an Application for a CREW Network Impact Award, the responses may also be repurposed for the corresponding CREWNY Impact Award Application.

A single CREW New York Impact Award winner (and all nominees) will be recognized at a members-only lunch to be scheduled at a later date.
