About Kids Creative

Kids Creative is an NYC non-profit organization with the mission to use the arts as a tool for instilling youth with skills to become the next generation of peacemakers and world shapers. We challenge youth to explore their own creative energy and that of their classmates in order to solve problems, build a community and have fun.

We focus on the 6 C's of peacemaking in youth:

- Confidence,
- Creativity,
- Conflict Resolution,
- Community,
- Collaboration, and
- Cookies!
